CAPABILITY STATEMENT

About Us

Business Status
Veteran Owned
Minority Owned

Amtrin provides a wealth of customized services and solutions to help clients achieve their desired business results quickly and economically. We strive to ensure ultimate customer satisfaction by designing and implementing programs to help clients address the challenges they face today and tomorrow. Amtrin combines top-tier consulting experience with sophisticated technical tools and a passion for problem-solving to provide integrated solutions. We do more than consult: We form partnerships built on trust and transparency that let us understand client problems on a deeper level.

Core Competencies

Portfolio, program, and project management is a core competency of Amtrin.

Effectively managing multiple projects, our experienced and certified team ensures project management principles are implemented and focused on risks to cost, schedule, performance, and scope to meet all client needs.

Other competencies include Business Process Reengineering, Process & Performance Improvement, Strategic Planning, Organizational Change Management, Logistics and Acquisition.

Differentiators

- * Tailored solutions to clients requirements, never a one size fits all approach.
- * Services scalable from large, complex, ongoing formal programs to discrete one-time projects.

Past Performance

Current team members are PMP certified, have provided over twenty-five years combined management consulting services to private and public sector clients, and hold undergraduate and graduate degrees from accredited US universities.
